

Responsible Travel Guide

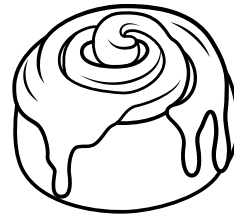

While visiting Prince Edward Island, simple actions and mindful choices contribute to our sustainability efforts. Thank you!

Acknowledge that when in Prince Edward Island, you are visiting the ancestral and unceded territory of the Mi'kmaq People who have lived here for over 12,000 years.

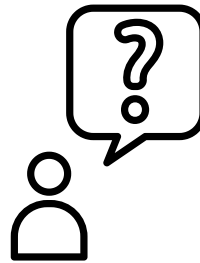

Practice conservation. Take short showers, turn off lights & electronics when not in use.

Buy local, be it books, baked goods, beef, beadwork or brew.

Do not bring firewood to PEI.

Greet new people, cultures and experiences with **curiosity & kindness.**

Do not litter. The PEI Women's Institute has the annual roadside cleanup to keep our communities beautiful.

Bring a reusable water bottle. Find free refill stations at Visitor Information Centres and Parks Canada locations.
